HTML

CSS

Javascript

### Tools

Figma

GitHub

Git

MS Office

Firebase

### Programming

Java

C/C++

Python

TypeScript

---

## NOTABLE PROJECTS

### CodeWing

It is a platform that provides Apple users early access to beta apps with advanced features. It lets you explore cutting-edge apps before they officially launch, offering a sneak peek into the future of iOS. Plus, your feedback helps developers refine their apps

### infinite tic-tac-toe

It is a unique twist on the classic Tic-Tac-Toe game where a tie is impossible—one player will always emerge victorious. Unlike the traditional 3x3 grid, this game extends indefinitely, ensuring that every match results in a winner.

### MoodyMovie

It is an intelligent movie recommendation platform that helps users discover films based on their current mood. Whether you're feeling happy, sad, adventurous, or nostalgic, MoodyMovie curates personalized movie suggestions tailored to your emotions.
